Good morning!
"Let's get to the worksite," says Posi-Track®.

"We have lots of tasks to do today."

Can you label the parts of a track loader?

Write the part name on the gray line next to the correct part.

Sometimes we drill at work.

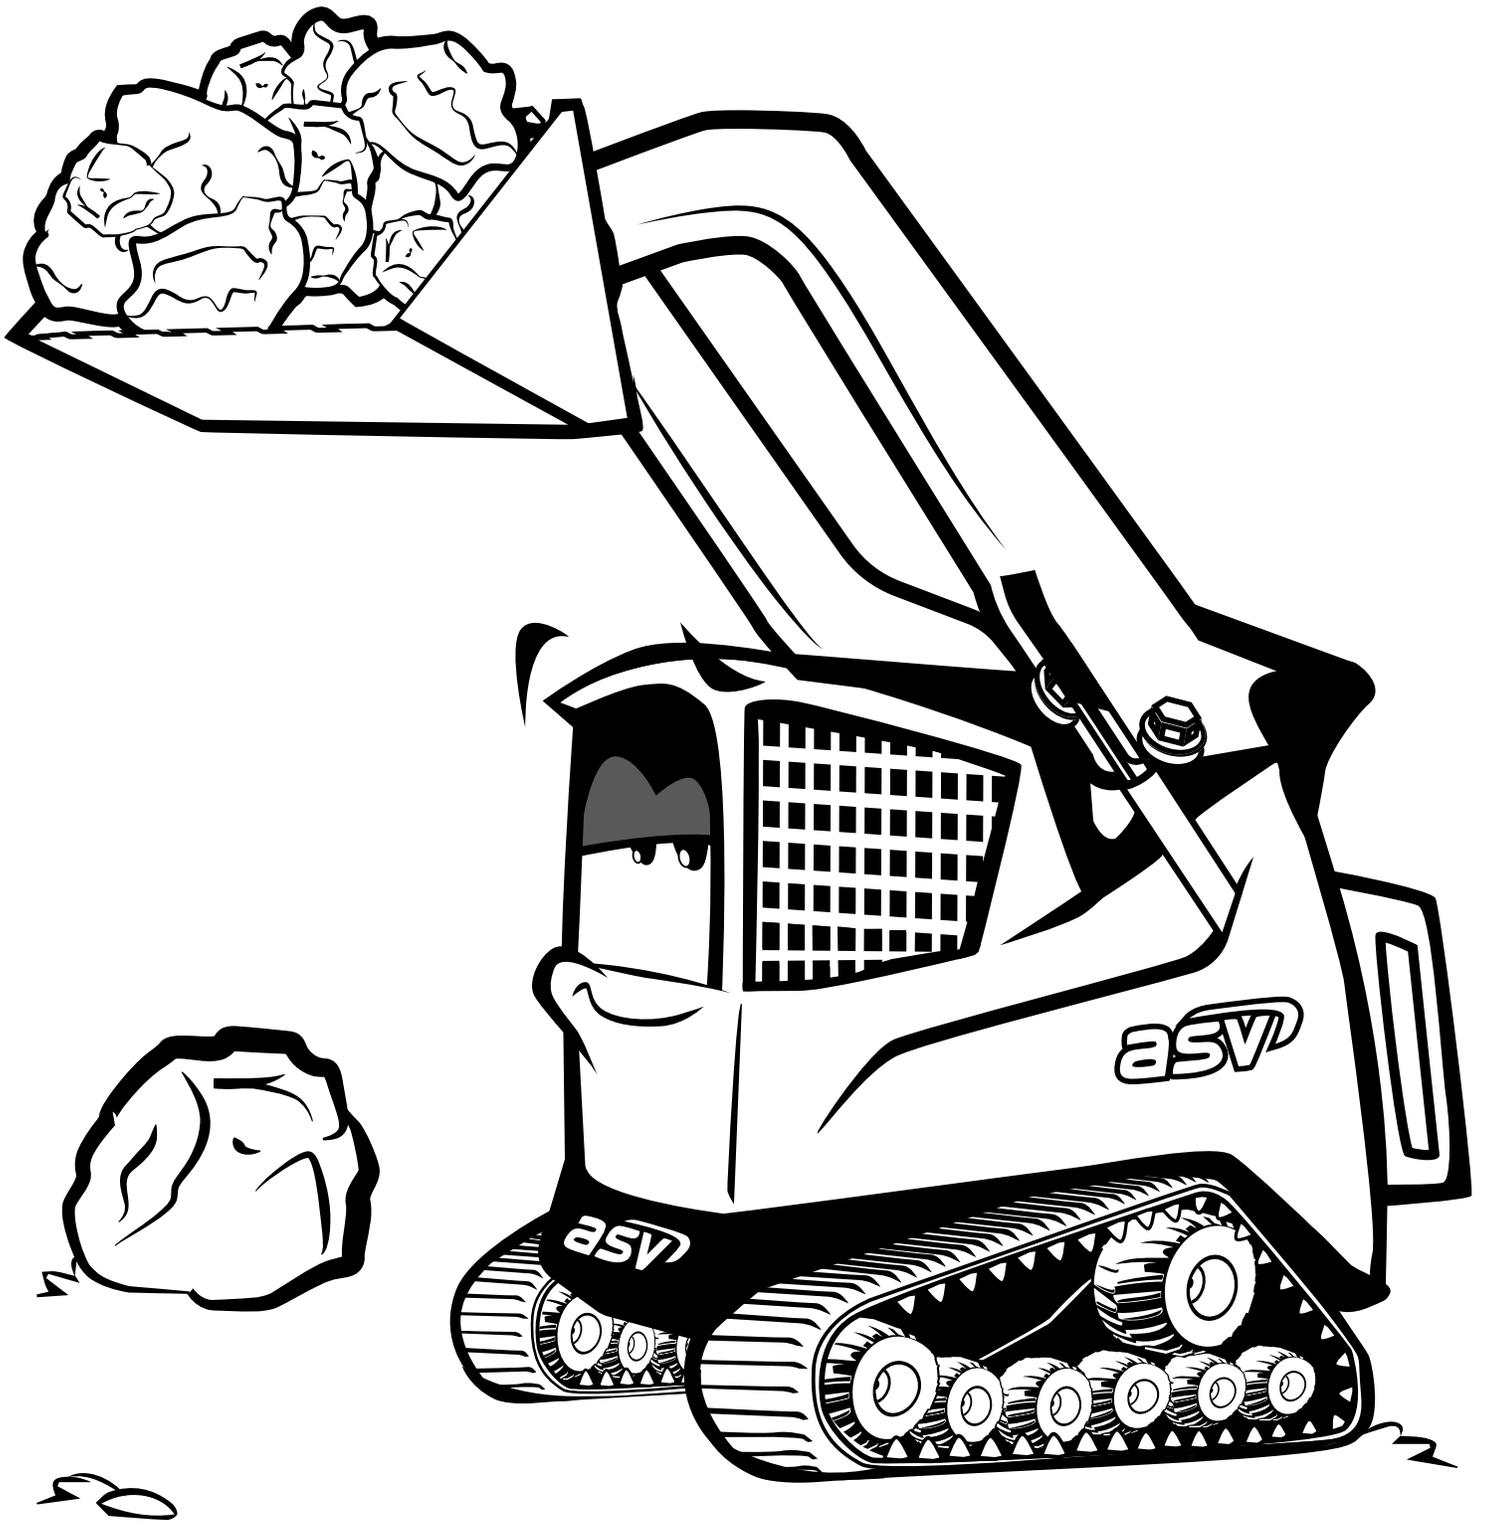

The drill is powerful.

Find the Twins

Draw a line connecting each matching pair.

"Look how strong I am!" Posi-Track®
says as he lifts rocks.

"Just one more big one..."

Oh no-that stone was too heavy!

It is better to take your time than
to take on too much at once.

Sometimes work can get dirty.
"I don't care," says Posi-Track®, "I like getting muddy!"

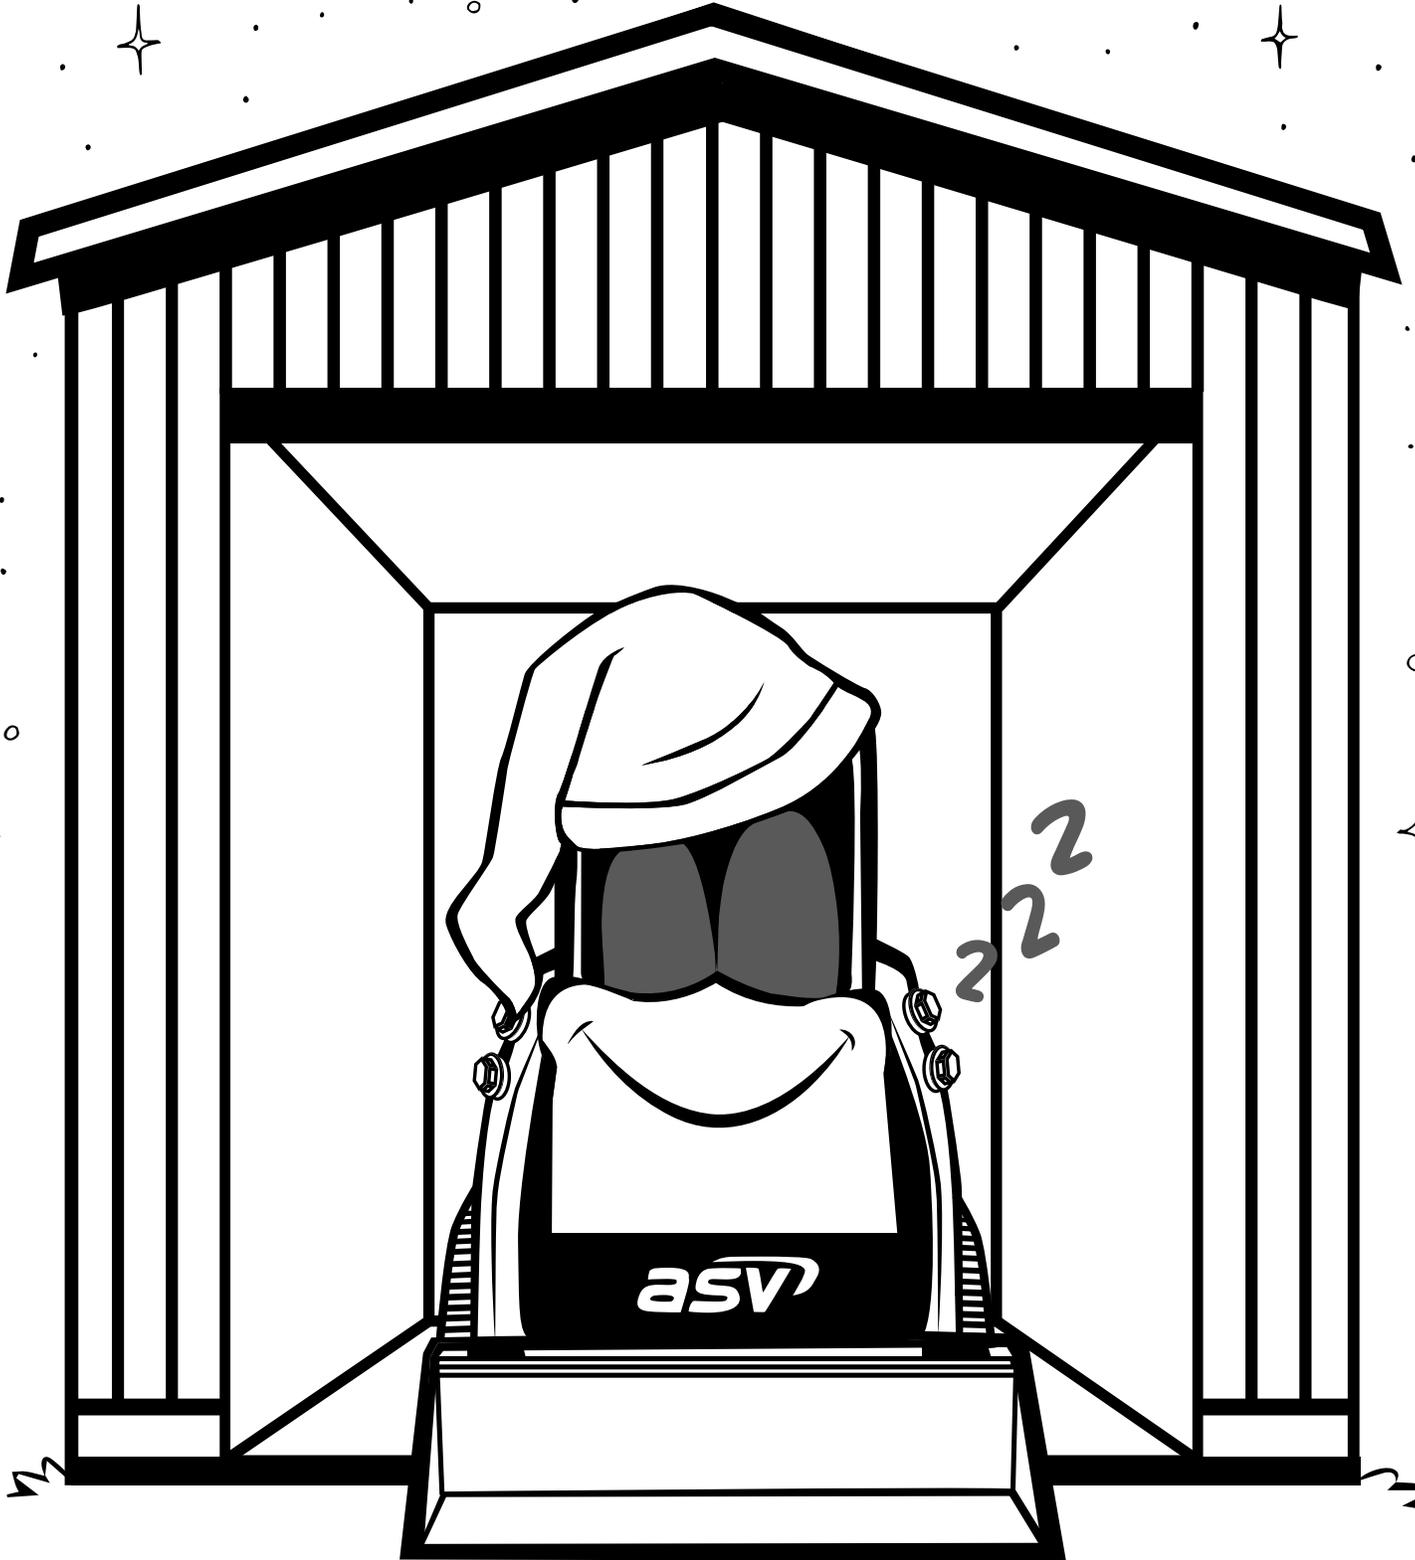

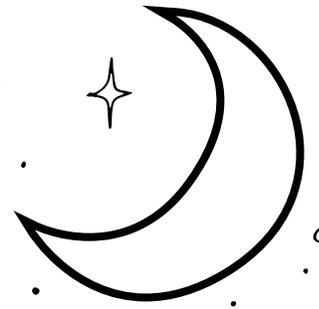

Connect the Dots
What is Posi-Track® picking up?

We have had a long day. The moon is up.
Help Posi-Track® get back to his shed.

It is good to be back home.
